

1. EXECUTIVE OVERVIEW

MRG International is a multi-sector international export house and global trade management firm. We specialize in cross-border procurement, contract manufacturing integration, quality management, and end-to-end cargo execution across diverse product lines.

UNIVERSAL SOURCING & EXECUTION ADVANTAGE

Engineered for full operational agility, MRG International operates as a single-window sourcing partner for global buyers. Whether fulfilling high-volume agricultural shipments, precision industrial tools, consumer textiles, or bulk fodder, we manage the entire trade lifecycle—from origin contract execution to final port delivery—regardless of cargo scale or product category.

2. COMMERCIAL EXPORT DIVISIONS

[A] Industrial & Manufactured Goods

- **Surgical & Medical Instruments:** Precision AISI stainless steel diagnostic, dental, and surgical instruments.
- **Apparel & Textiles:** Commercial denim wear, workwear, institutional linens, and heavy-duty terry towels.
- **Leather Goods:** Export-grade leather outerwear, technical safety gloves, and industrial accessories.

[B] Agri-Commodities & Animal Fodder
